

If you are a presenter on a given day, it means that your group will present your solutions to the day's assignment in the wrap-up session (ideally 10 minutes, can be 15 minutes if needed). What challenges did you face? How did you solve them/the tasks in general? Any tips for others? Did you discover/try out anything that could be particularly interesting for everyone?

Tuesday:

Presenters: Janina, Samuel, Samson

- Jarek, Simon
- Piera, Karl, Tuhina
- Matthias, Mael, Claudio
- Nicolai, Ivo
- Dweepo, Till, Alberto

Wednesday:

Presenters1: Till, Matthias, Nicolai
